Case No. [22-cr-00015-SI-1](#)

**ORDER GRANTING DEFENDANT'S
REQUEST TO CONTINUE
SENTENCING TO JANUARY 20, 2023**

Re: Dkt. No. 80

12
13 The Court has received defendant's motion to continue sentencing to January 20, 2023, and
14 the government's opposition thereto. The government previously stated that it was amenable to
15 continuing sentencing to that date. *See* Dkt. No. 77. The Court finds that it is appropriate to allow
16 enough time for the CAP assessment to be completed prior to sentencing. Accordingly, the Court
17 GRANTS defendant's request and continues sentencing to January 20, 2023 at 11:00 a.m.
